ACKNOWLEDGEMENT AND ASSUMPTION OF RISKS, WAIVER AND RELEASE OF LIABILITY AGREEMENT

Itaú 5150 TRIATHLON Coquimbo - October 3, 2027

In consideration of the voluntary acceptance by World Centric Group SpA (the “Event Organizer”) of my voluntary and informed participation in Itaú 5150® Triathlon Coquimbo 2027, including its related programs and events (collectively referred to as the “Event”), I hereby expressly and irrevocably declare this Waiver and Release of Liability form (this “Form”), which I have read and understood, and through which I commit to accurately completing and accepting the information, documents, and registration process, as well as the rules and policies of the Event. Furthermore, with respect to my relationship with WTC and the Event Organizer, this Agreement shall take precedence over any other form or contract I may sign in relation to the Activities.

FIRST:

a) I declare that I am aware of, accept, and understand that I will comply with all rules and policies, including the 5150 Triathlon and IRONMAN Group Competition Rules, as well as those of the national and international federations and the race’s sanctioning body. Likewise, I will fully respect the Competition Rules of the International Triathlon Union. Furthermore, I declare that I am aware of, accept, and understand that my final acceptance and participation in the Event depend on WTC and the Event Organizer receiving and reviewing all required information and forms, including this Agreement. Prior to participating in the Activities, I may inspect the racecourse, facilities, equipment, and designated areas. I understand that I can and should consult in writing with WTC and the Event Organizer representatives if I have further questions about the Activities or Risks.

b) I declare that I am aware of, accept, and understand that by voluntarily submitting this registration, I agree to be bound by and comply with the 5150 Triathlon and IRONMAN Group Anti-Doping Rules, including, but not limited to, all policies, procedures, and/or other rules adopted by WTC and the Event Organizer (as may be modified from time to time and at any time by them, and the authority granted to WTC and the Event Organizer in accordance with such rules). I also agree to be subject to the World Anti-Doping Code and its international standards published by the World Anti-Doping Agency (WADA), including but not limited to the International Standard for Therapeutic Use Exemptions, the Prohibited List, and the International Standard for Testing and Investigations.

c) I declare that I am aware of, accept, and understand that I may also be subject to the rules of any national or international federation, race sanctioning body, or anti-doping organization with authority over me.

d) I declare that I am aware of, accept, and understand that, to the extent I ingest or apply to my body any product provided in an athlete race kit or at the 5150 Village/Expo that causes any injury or results in a positive doping test, I assume full responsibility for such injury and/or test result and release WTC and the Event Organizer from any related claims.

e) I declare that I am aware of, accept, and understand that neither WTC nor the Event Organizer nor their staff, directors, officers, representatives, volunteers, contractors, or any person associated with WTC or the Event Organizer will supervise the Participant at any time. The Participant accepts full responsibility for their own well-being at all times; or, if applicable, the Participant’s legal guardian shall be solely responsible for the supervision of the Participant before, during, and after the Event and Activities, including during free time and at all other times.

f) I authorize WTC and the Event Organizer's staff, representatives, contractors, or other medical personnel to obtain or provide me with medical care, transport me to a medical facility, and administer treatment (including, but not limited to, evacuation, hospitalization, blood transfusions, surgery, and medication) deemed necessary for my health. I agree to pay all expenses related to such care and transportation. I consent to the disclosure by WTC and the Event Organizer to insurance companies, other healthcare providers, and their personnel, of any medical information or records necessary for treatment, referral, billing, or other purposes.

g) I acknowledge, accept, and understand that WTC and the Event Organizer hire and subcontract individuals or organizations who are independent contractors (not their employees or agents) to provide certain Event services and conduct some of the Activities in which participants engage. I acknowledge that WTC does not supervise or control these independent contractors and is not legally responsible for their conduct. Furthermore, Activities may take place at facilities or premises not owned or controlled by WTC, and WTC does not supervise or assume responsibility for any aspect or condition of such independent premises or facilities.

h) I expressly declare that I am participating and will participate voluntarily in the Event and Activities with full knowledge of the Risks and in accordance with this Agreement, which I have read and understood in full. I assume and accept complete responsibility for myself, for the inherent and other risks (whether known or unknown) of the activities, and for any injury, damage, death, or other loss I may suffer as a result of these risks, including, but not limited to, risks involving myself, a fellow participant, spectator, volunteer, and/or third party due to passive or active negligence or other misconduct. The information provided in this Agreement is not exhaustive and, therefore, there may be other unknown or unforeseen activities, risks, and outcomes—either inherent or otherwise—and WTC and the Event Organizer cannot guarantee my safety nor eliminate any of the risks.

i) I declare that WTC and the Event Organizer may assign this Agreement to other entities or individuals ("Assignees") at any time, and such assignment shall grant the Assignees all the rights and protections set forth in this Agreement, in accordance with the rights and protections afforded to WTC, the Event Organizer, and other Released Parties under this Agreement.

SECOND: I acknowledge and accept that the Event will take place outdoors, on public roads, national public property, and possibly on certain private roads. It may include, among other things, warm-up exercises; competitive swimming, cycling, and running, both during training and the Event itself; equipment demonstrations (testing); participation in clinics, training sessions, demonstrations, or other games and activities; attendance at any Event-related activity; use of any equipment, facility, or venue; and travel by airplane, van, bus, or other vehicles to and from the activities (the Event and other activities hereinafter collectively referred to in this Agreement as the "Activities" or "Activity").

The Activities may be scheduled or unscheduled, mandatory or optional, authorized or unauthorized, and/or led by WTC and the Event Organizer in either a coordinated, structured, or unstructured manner. Furthermore, I acknowledge, accept, and assume the high inherent risks associated with these sporting activities, hazards, and dangers (collectively referred to in this Agreement as the "Risks"). These activities may result in injury, damage, death, or other losses to the Participant or others.

Accordingly, I will fully comply, without limitation, with all instructions, stipulations, regulations, and ordinances that are or may be necessary for the execution of the Event, and that have been or will be provided by the competition organizing team, including, without limitation, the competition rules of the discipline team, the Event Organizer’s competition rules, and/or those of World Triathlon Corporation d/b/a 5150 ("5150"), as well as the information contained in the athlete information guide and the details provided in the athlete briefing session.

THIRD: I also hereby voluntarily and irrevocably declare the following:

a) I expressly and unconditionally release from all liability the Event Organizer, 5150 Triathlon and IRONMAN Group, the Municipality of Coquimbo, sponsors, officials, owners, administrators, contractors, vendors, volunteers and their respective affiliated companies, assignees, licensees, directors, shareholders, members, supervisors, insurance companies, agents, employees, volunteers, contractors, other participants, representatives, and any other person or entity related to or involved in the activities (individually and collectively referred to as the "Released Parties") from any and all claims, liabilities, demands, or expenses (including attorneys’ fees and legal costs) (collectively, "Damages") for injury, death, property loss, property theft, property removal, or any other loss related to my entry into or participation in the Event, including the use of equipment, facilities, or locations, regardless of cause; whether due to active or passive negligence by the Released Parties; and/or any breach of legal duty by the Released Parties. Neither I, nor my heirs, successors, assigns, beneficiaries, nor any third party acting on my behalf shall bring any claim against the Released Parties for any damage, death, or other loss that I may suffer.

b) I agree to defend and indemnify the Released Parties from any Claim made by me or by a third party on my behalf, my spouse, a family member, a co-participant, or any other person, for damages, death, property loss, property theft, property removal, or any loss in any way related to my registration or participation in the activities, including, but not limited to, the use of equipment, facilities, or locations, regardless of the cause; whether due to passive or active negligence by the Released Parties; and/or any breach of legal duty by the Released Parties.

c) This release and indemnity section includes, but is not limited to, claims for personal injury or wrongful death (including claims related to emergency, medical, pharmaceutical, and/or health issues, response, evaluation, or treatment), property damage, loss of consortium, breach of contract, or any other claims, including claims arising from the active or passive negligence of the Released Parties.

FORTH: I further declare that my physical condition and overall health are compatible with participation in the Event. To this end, I have undergone timely medical check-ups, and any deficiency, accident, or illness that may be related to my physical condition shall be my sole responsibility. Additionally, I declare that I am in good physical and mental condition to participate in the Event taking place on October 3, 2027, and that my physical condition has been reviewed by the appropriate medical specialists.

FIFTH:

a) I am fully aware of the risk and exposure to contagious or transmissible diseases, including but not limited to Covid-19 and its variations that have existed, currently exist, or may exist anywhere where people are present. In such scenarios, the event organizers must align with local authorities' protocols, and athletes must comply with the regulations.

b) I agree to assume, without limitation, the risks that my mental, physical, or emotional condition (including any use or misuse of alcohol or prescription or non-prescription drugs), whether disclosed or not, known or unknown, combined with participation in these Activities and the associated risks, may result in injury, harm, death, or other losses. Although WTC and the Event Organizer may review a Participant’s medical information submitted during the registration process, WTC and the Event Organizer cannot anticipate or eliminate the risks or complications posed by the Participant’s mental, physical (including fitness level), or emotional condition.

c) I acknowledge, accept, and understand that training for, practicing, or competing in triathlon or other events such as swimming, cycling, jogging or running, and associated conditioning involve frequent and repetitive use of arms and legs, extreme physical condition and endurance, and pushing the Participant’s physical and mental limits.

d) I accept, understand, and acknowledge that the equipment used in the Activities may be misused, break, fail, or malfunction, and that the Event and/or its organizers shall not be held responsible for any of the foregoing under any circumstances.
e) I acknowledge and accept that I or other co-participants and/or third parties may act negligently or intentionally during the Event or Activities.
f) WTC and the Event Organizer may require the use of helmets of specific quality for cycling activities. Helmets or other safety equipment may prevent or reduce injuries in some cases; however, the use of safety equipment is no guarantee of safety, and injuries may still occur even when such equipment is used. A staff member, representative, volunteer, contractor, or co-participant from WTC and the Event Organizer may judge the Participant's capabilities, health, or fitness level, assess any aspect of the instruction, medical treatment, weather, terrain, water level or route location, or may fail to warn the Participant (and/or the Participant's legal guardian) of one or more inherent risks of the Activities.
g) I acknowledge and accept that all participants may be exposed to mountainous or high-altitude terrain; severe storms or weather conditions such as lightning, strong winds, rain, hail, snow, ice, and volcanic activity; lakes, oceans, or other deep or fast-moving bodies of water; currents or turbulent waters; extremely hot or cold weather; animals or insects that may bite and/or transmit diseases; and other natural or man-made hazards. Hazards (both on land and above or below the water level) may not be marked or visible, and the weather is always unpredictable. There may be ruts, holes, water sources, rocks, uneven terrain, or other conditions in and around the Activities. The location of the Activities may cause or contribute to delays or difficulties in communication, transportation, evacuation, or medical care.
h) I acknowledge and accept the possibility of criminal acts, terrorism, or acts of force by a third party or parties before, during, or after the Event or Activities. These and other Risks may result in partial falls or falls to the ground; collisions with objects (including parked or moving vehicles and/or bicycles), people, or the bottom of a body of water; collisions or rollovers of bicycles or vehicles.
i) I am aware and accept that this Event involves a significant increase in physical effort, and as such, there is a possibility of getting lost or disoriented; suffering gastrointestinal complications or allergic reactions or experiencing other issues; heat- or cold-related illnesses or conditions (including hypothermia, immersion in cold water, frostbite, hyperthermia, or heat exhaustion/stroke); dehydration; hyponatremia; drowning; vertigo; cardiac or pulmonary complications; broken bones; paralysis or other permanent disabilities; mental or emotional trauma; concussions; sunburns or other burns; or other injuries, damage, death, or loss.
j) I declare that if I use any of the bicycle-related services or areas provided or made available in connection with the Event (including but not limited to any on-course bicycle repairs), I will pay for the cost of such services (including the cost of replacement parts, etc.) upon receipt of the corresponding invoice(s).
k) I release WTC or the Event Organizer from all liability and claims for the loss, total or partial destruction of any of my personal belongings delivered for safekeeping. WTC or the Event Organizer will not be responsible for their return, including, but not limited to, special needs bags (as referenced in the event-specific athlete guide) and all personal belongings within them after the closing of the relevant aid station pickup location. I waive any rights to such property and expressly consent to all actions that WTC and the Event Organizer may take regarding such property, including, but not limited to, its disposal.

The Participant (and/or their legal guardian) assumes all of the obligations described above and accepts responsibility for the selection of appropriate equipment as well as the fit and condition of the equipment used by the Participant.
I declare and agree to receive any necessary medical care prescribed by the specialists responsible for providing services at the Event in the case of injury, accident, and/or illness during the Event.

SIXTH: I expressly authorize the use of Drones/UAVs. Unmanned aerial vehicles ("UAVs", also known as "drones") may be used at the Event for informational or other purposes, and there is a risk of collision and resulting damage or injury.

SEVENTH: I hereby grant the rights, permissions, and consents to the Event Organizer and 5150 Triathlon and IRONMAN Group, and their respective affiliates, representatives, assignees, and sponsors to use the name, image, voice, written statement, photograph, and/or likeness of myself and/or my family members (collectively referred to as "Images"), with the right to sublicense, without any form of compensation, taken during the Event or otherwise, by the Event Organizer, 5150 Triathlon and IRONMAN Group , or any of their respective entities or associated contractors and/or media, for use in any medium anywhere in the world without time limitation. This includes, but is not limited to, the use of photographs, video tapes, compact discs, DVDs, broadcasts, television transmissions, podcasts, webcasts, Internet portals, social media platforms, recordings, films, advertisements, or informational, educational, or promotional material, and/or any other recording of the Event for any other purposes. I understand that ownership and intellectual property rights related to the Images shall belong to 5150 Triathlon and IRONMAN Group , and I waive all rights of inspection and approval.

EIGHTH: Under no circumstances shall I or any third party on my behalf, without the written consent of 5150: (a) make use of the intellectual property of IRONMAN and/or its affiliated companies, including but not limited to IRONMAN®, 70.3®, Iron Girl®, IRONKIDS®, Velothon®, Cape Epic®, 5150®, and Rock 'n' Roll®, the "M-Dot" and "K-Dot" logos (collectively referred to as "IRONMAN IP"), and/or any words or marks that reference, suggest, or are confusingly similar to the Event, any Event logo, the Event name, location, and date, or the race course (collectively referred to as "Event IP"); or (b) sell, market, distribute, or produce products, events, merchandise, websites, or services branded with or named after the IRONMAN® or 70.3® Event, using (i) any Event logo, (ii) any Event name, (iii) any Event IP, or (iv) any IRONMAN IP (including, but not limited to, the word "IRON" or any translation thereof as a prefix or component of any race, event, trademark or registered mark, organization or club name, or any type of brand that in any way relates to triathlon, triathletes, training, coaching, or endurance sports).

NINTH: I expressly understand and agree that the Event Organizer, at its sole discretion, may at any time and with or without prior notice, delay, modify, or cancel the Event for any reason, including if it deems race day conditions to be unsafe or unsuitable for the Event. If the Event is delayed, modified, or canceled for any reason, including but not limited to storm, rain, volcanic eruption, weather, tides, wind or other natural conditions, earthquakes, windstorms, torrential rains, wind conditions, or any other cause beyond the control of the Event Organizer, I will not be entitled to a refund of my registration fee or any other costs paid in connection with the Event. The same applies in cases of force majeure or unforeseen circumstances, as set forth in Article 45 of the Chilean Civil Code.

TENTH: I also understand, agree, and accept that my registration fee will be refundable at 50% only if I am unable to participate in the Event due to duly documented medical reasons, and by providing written notice no later than May 30, 2027, which must be supported by a medical certificate. Additionally, up until that same date and for the same reasons, the registration may be transferred to a third party, provided that the difference between the registration fee at the time of purchase and the registration fee at the time of transfer is paid. Furthermore, I understand, agree, and accept that my registration fee is non-transferable and may not be used for other 5150 Triathlon and IRONMAN Group events or events organized by the Event Organizer, even if the Event is canceled or suspended due to force majeure.

ELEVENTH: I declare that I have carefully read, understand, and voluntarily agree to sign this Agreement, and I understand that by doing so I am entering into a legally binding contract with WTC and the Event Organizer. I acknowledge that this Agreement shall be effective and legally binding upon me (and if I am the legal guardian of the Participant, upon the Participant), my spouse, children, and other family members, and my heirs, executors, representatives, assigns, and the Participant's estate. The Participant (or the Participant's legal guardian) must complete all required information and sign below.
If I sign this document both online and in person, I understand that the physical version of this Waiver shall be binding and shall prevail, as it may be subject to modifications online.

TWELFTH:
a) I declare that I understand and agree to release from liability WTC and the Event Organizer, the Chilean Triathlon Federation, the Event sponsors, Event promoters, Event producers, race directors, Event officials, Event staff, advertisers, directors, managers, administrators, contractors, suppliers, volunteers, and all property owners and other government and/or municipal agencies whose property and/or personnel are used and/or otherwise assist at the locations where the Activities are held, and each of their respective parent companies, subsidiaries and affiliates, assignees, licensees, owners, officers, directors, partners, board members, shareholders, members, supervisors, insurers, agents, employees, volunteers, contractors, and representatives, and all other persons or entities associated or involved with the Activities (collectively referred to in this Agreement as the "Released Parties"), from any and all claims, liabilities, judgments, or expenses (including attorney's fees and costs) (collectively referred to in this Agreement as "Claim" or "Claims") for any injury, damage, death, property loss, property theft, disposal of property, or other losses in any way related to the Risks listed above or to my entry into or participation in the Event and Activities, including, but not limited to, the use of any equipment, facility, or premises, regardless of cause; passive or active negligence of the Released Parties; and/or any breach of a legal duty by the Released Parties.
b) I declare that I understand and agree to indemnify the Released Parties ("Indemnify" meaning to protect by reimbursement or payment, including attorneys' fees and costs) with respect to any and all Claims brought by me or on my behalf, my spouse, a family member, a joint venture, or any other person, for any injury, damage, death, property loss, stolen property, or any other loss in any way related to the Risks or to my registration or participation in the Event or Activities, including but not limited to the use of any equipment, facility, or premises, without limit and regardless of the cause or causes or the passive or active negligence of the Released Parties, and/or any breach of any legal obligation by the Released Parties. This waiver and indemnification section includes, but is not limited to, claims for personal injury or wrongful death due to negligence (including claims related to emergency, medical, medication and/or health issues, response, evaluation, or treatment), property damage, loss of consortium, breach of contract, or any other claim, including those arising from the passive or active negligence of the Released Parties in connection with the Event or Activities.
c) I acknowledge and agree that any arbitration, lawsuit, counterclaim, legal action, or other legal proceeding shall be conducted and resolved individually only, and that I will not file, join, or voluntarily participate in any class action, consolidated action, representative action, class arbitration, consolidated arbitration, or representative arbitration involving matters arising out of, relating to, or connected with this Agreement, my registration or participation in the Activities, or any other aspect of my relationship with WTC and/or the Event Organizer. Furthermore, I acknowledge and agree that any dispute concerning the scope of this class action/class arbitration waiver shall be determined by a court, not an arbitrator.

d) I acknowledge and agree that if I use any of the bike services provided or made available in connection with the Event (including, but not limited to, any on-course bike repairs), I will pay the cost of such services (including the cost of replacement parts, etc.) upon receipt of the corresponding invoice(s).

THIRTEENTH: To the extent that there are situations in which I provide WTC and the Event Organizer with any of my personal belongings for safekeeping, there may be instances where such personal belongings are not returned to me (including, but not limited to, Special Needs Bags, as referenced in the event-specific athlete information guide, and all personal belongings contained therein after the closing of the corresponding aid station pickup location). I waive any rights to such property and expressly consent to any actions that WTC and/or the Organizer may take regarding such property, including, but not limited to, its disposal.
Furthermore, I expressly authorize WTC and/or the Event Organizer's personnel, representatives, or contractors to inspect any equipment I use (or intend to use) in connection with the Event, including but not limited to the inspection of bicycles for the presence of any concealed motor or other artificial propulsion mechanism, using any inspection method selected by WTC or the Event Organizer.

FOURTEENTH: WTC and the Event Organizer reserve the right, at their sole discretion, to dismiss any participant from the Activities, to deny or revoke any participant's entry at any time, and/or to disqualify any participant from the Event. If I am dismissed or removed for any reason, I agree that I am responsible for all early departure costs, whether due to medical reasons, dismissal, personal emergencies, or any other cause. If my registration request is denied or revoked, I agree that WTC and/or the Organizer are not responsible for any costs incurred or damages suffered by me or my family that exceed the amount of the registration fee.

FIFTEENTH: I acknowledge and agree that WTC and the Event Organizer, at their sole discretion (whether for safety, legal, or any other reasons), may (a) at any time, with or without prior notice, change or modify the race course, distances, routes, elevation, climbs, level of difficulty, or any other aspect of the race course or the Event; or (b) delay or cancel the Event (or any part of the race) for any reason, including but not limited to their belief that conditions are unsafe or unsuitable for the Event, and WTC and the Event Organizer may postpone the Event for the duration of such unsafe or unsuitable conditions. If the race course or the Event is changed, modified, delayed, or canceled for any reason, including but not limited to acts of God or the elements (including, but not limited to, wind, rough waters, rain, hail, volcanic activity, hurricane, tornado, earthquake), acts of terrorism, fire, strike threats or actual strikes, labor difficulties, work stoppages, insurrection, war, public disaster, public health hazards, pandemic, flooding, unavoidable accident, racecourse conditions, or any other cause beyond the control of WTC and the Event Organizer, there will be no refund of the registration fee from WTC or the Event Organizer nor of any other costs incurred in connection with the Event. WTC and the Event Organizer may, at their sole discretion, offer automatic registration for a later date or a transfer to another event of WTC and the Event Organizer's choosing.

SIXTEENTH: I grant WTC and the Event Organizer, their affiliates, designees, assignees, and sponsors the right and permission to photograph, film, record, and/or otherwise capture (including the use of facial recognition technology and other technologies used to identify individuals) in any medium the name, image, voice, written statement, photograph, and/or visual likeness of myself and/or my family members (collectively, "Images"), with the right to sublicense, during the Activities or otherwise, without compensation, for use for any purpose and in any media worldwide in perpetuity. This includes, but is not limited to, use in broadcasts, photographs, publications, podcasts, webcasts, films, brochures, CDs, DVDs, Internet websites, social media platforms, television, and/or in any related commercial, informational, educational, advertising, or promotional materials, including those not yet existing or not yet developed. I understand that all ownership and copyright rights to the Images shall remain the property of WTC and the Event Organizer, and I waive any right of inspection or approval. I understand and agree that my name, bib number, gender, date of birth or age (or age group), region of residence, similar biographical information, and/or race results will be made available to the public before, during, and after the Event.

SEVENTEENTH: Any disputes or claims arising out of, relating to, or connected with this Waiver, my registration or participation in the Activities, or any aspect of my relationship with the Event Organizer: (1) shall be governed by the substantive law of Chilean law (without regard to its "conflict of law" rules), and (2) unless resolved directly between the parties, the dispute shall be resolved through binding arbitration as the sole and final remedy for all disputed matters. Any difficulty or dispute arising between the parties to the contract regarding the application, interpretation, validity, or enforcement of the contract, or for any other valid reason, shall be submitted to arbitration in accordance with the Procedural Arbitration Rules of the Arbitration and Mediation Center of Santiago in effect at the time of enforcement. The parties grant special and irrevocable authority to the Santiago Chamber of Commerce to appoint an arbitrator in equity (ex aequo et bono) from among the members of the arbitration body of the Arbitration and Mediation Center of Santiago, upon written request by either party. No appeal may be brought against the arbitrator's decision. The arbitrator shall have special authority to decide on any matter relating to their competence and/or jurisdiction.
I understand that I may also be required to sign an on-site version of this Agreement. If I sign this Agreement both online and on-site, I agree that the on-site version of this Agreement—since that version may differ from the online version—shall be the binding and controlling one. To the extent that WTC and the Event Organizer allow my Event registration to be transferred to another race, I acknowledge and agree that WTC and the Event Organizer may require me to sign a new agreement to participate in that other race. If WTC and the Event Organizer do not require a new agreement, then this Agreement shall be considered applicable to that other race.
This Agreement is effective with respect to the Participant's entry or participation in the Event or Activities from the date of signing until the completion of all Activities, and this Agreement shall remain in full force and effect after the completion of all Activities.

I have carefully read, understand, and voluntarily agree to sign this Agreement, and I understand that by doing so I am entering into a legally binding contract with WTC/Event Organizer. I acknowledge that this Agreement shall be effective and legally binding upon me (and, if I am the legal guardian of the Participant, upon the Participant), and upon my spouse, children, and other members of my family/the Participant's family, as well as my heirs, executors, representatives, assigns, and estate. The Participant (or the Participant's legal guardian) must complete all required information and sign below
