"I Virtual race for the research of the CDG syndrome"

¡Run with me, run for me!

WHAT IS A VIRTUAL RACE?

It is an individual experience, shared collectively and synchronised. This is thanks to APP technology of geolocation and synchronization of all its participants. Our mobile will be our **CHIP**. The initial procedure is the same as in a conventional race, but this time the number is sent to the user via email. The race takes place during a period of time, in which the user must complete the distance chosen by a route in their city, and through the **APP**, previously downloaded on a mobile, the result of the distance and time made will be uploaded.

DATES: From Friday 14th May until Monday 24th May, 2021.

DISTANCES: 5 km. and 10 km.

Each participant will be able to choose their own route and where to take the race in their city. Selected route and distance will be within the limits established by the competent Government due to the health emergency situation derived by COVID19. Likewise, please be especially careful with the safety distance recommended by Health and Safety.

REGISTRATION: From Tuesday 20th April, until Thursday 13th May, at 11 pm.

The registration fee is € 6, for the 5 km., and € 8, for the 10 km. Registration can be formalized through the web: https://www.rockthesport.com/es/evento/i-carrera-virtual-por-la-investigacion-del-cdg

The money raised with the inscriptions will go to research projects on **"Congenital Defects of Glycosylation" CDG Syndrome**.

ZERO NUMBER:

The option of "Dorsal Cero" will be enabled for all those who wish to collaborate with the solidarity purpose of the **"Spanish Association of CDG Syndrome (AESCDG)"**, without running in the race.

Fee of "Dorsal 0": € 5, 10 or 15.

DOWNLOAD APP:

The registered runner must download the virtual **"Rockthesport APP"** free download available for both iPhone and Android.

The runner with their **"Registration Locator",** which will be received by email, will be able to use the App in "Training format". Only a single opportunity between the 7th and 10th of May will be considered valid.

CLASSIFICATION AND DIPLOMAS:

There will be a general classification by distance, distinguishing male and female. The results will be published on the web, where you can download the personalized participation diploma located next to your name: https://www.rockthesport.com/es/evento/i-carrera-virtual-por-la-investigacion-del-cdg
