A woman that must be 30 years or older on the 31st of December of the current year in which the competition takes place and must hold an approved Master license for racing. Riders with an Elite category license cannot compete in this category.

3.7 These categories will only be established if at least three riders start in each category.

3.8 Riders holding a Master license cannot compete in the Elite categories.

4. Verification

4.1 Race pack check-in and pickup will take place on the day of the race from 10:00 a.m. to 1:30 p.m. at the Palacio de Deportes de La Rioja. Participants in Stage Two may check in and pick up their race packs before the start on the day of the race, from 7:45 a.m. to 8:30 a.m.

4.2 For security reasons, it is necessary to select a specific time slot during registration to collect the number. No numbers will be delivered outside the selected time slot.

4.3 Race numbers are assigned according to each category and:

- Latest UCI XCM ranking released when the start numbers are assigned by the organisation.
- Latest UCI XCO ranking released when the start numbers are assigned by the organisation.
- Riders with an annual racing cycling license.
- Registration order.

4.4 During verification an identification bracelet is handed out to each rider, who has to wear it during all the competition. This bracelet allows access to the rider areas and is also necessary as a safety measure.

5. Team's meeting

- 5.1 There is a teams' meeting the day before the competition starts, compulsory for all Team Managers. Any rider is also welcome but isn't forced to attend.
- 5.2 Any changes are announced on the race's news board, official website, social media and/or e-mail, having the riders the responsibility of keeping themselves informed.

6. Race procedure

- 6.1 The competition follows the general UCI and RFEC rules and the UCI and RFEC specific *mountain biking* regulations.
- 6.2 Stage results, overall classification and start list of the following stage are released daily.
- 6.3 There are different start grids according to the competition's overall classification.
- 6.4 The start grids open twenty (20) minutes before the stage's start time.
- 6.5 The start of a time trial stage (XCT) is conducted in reverse order of the general classification or race number (in case it is the first day). On the first day, the category order will be: Women's Master, Mixed, Master 50, Master 40, Master 30, Women's Elite, and Men's Elite. Each participant must be in the call-up area at least five (5) minutes before their start time.
- 6.6 Access to the start grid is not allowed five (5) minutes before the start time; participants must position themselves at the back of their designated start group.
- 6.7 No participant may start once the official start has been given, unless authorized by a Commissaire. Participants who start after this time will be considered DNS (Did Not Start).
- 6.8 Riders who are out of competition will start together from the last starting pen.
- 6.9 For safety reasons, all starts will be staggered.
- 6.10 Each checkpoint, intersection control, aid station, start, and finish has a maximum passing time, at which point the service is closed. The time to reach these points is indicated in the competition route guide. Once the maximum time is exceeded, participants may continue on the course to the finish line, following traffic rules and without priority at intersections.
- 6.11 After this time, the organizer reserves the right to force a participant to abandon the stage. They may start the next stage from the last pen and will be excluded from the classification.
- 6.12 Fair Play. This means competing honestly, under equal conditions, and enjoying the sport above the ambition to win. Participants must follow the rules, avoid cheating, tricks, or simulations intended to mislead opponents or

Commissaires, accept defeat with dignity, and celebrate victory with humility and respect. Participants must behave honestly, respectfully, and properly toward opponents, Commissaires, and anyone involved in the event. Sportsmanship and ethics should be observed, avoiding unnecessary, illegal, unsportsmanlike, aggressive, or disobedient behavior.

- 6.13 Commissaires may disqualify any participant who does not respect fair play, expelling them from the event without the possibility of continuing.
- 6.14 Participants who are no longer officially classified may continue the event recreationally, provided they do not interfere with the progress or results of the competition. Failure to comply will result in expulsion from the event without the possibility of continuing.
- 6.15 Any participant may be subjected to an official anti-doping control in accordance with UCI, WADA, AEPSAD, or another authorized body.

7. Neutralized starts

- 7.1 For safety reasons the start of any stage can be neutralised. The Course Director leads the riders on an official race vehicle. Once the stage is started by the Course Director the riders must begin to race.
- 7.2 Once the official race vehicle has reached the end of the neutralised section, it will stop aside and indicate the end of the neutralisation
- 7.3 During the neutralised section it is banned and could be penalized overtake the Course Director's vehicle.

8. Neutralized finishes

- 8.1 For safety reasons, the finish line can be advanced before reaching a road section. If this is so, a time period will be set to complete the distance from the finish line to the paddock. Any delay in reaching the paddock will have a (1) minute penalty per delayed minute. It's compulsory to cross the control set at the paddock.

9. Road book

- 9.1 Each stage has a road book detailing the distance, altitude, way points, cross sections, feed/aid stations and time closure for each service.
- 9.2 The road book also reports if the start or finish are neutralised, the distance of the neutralised stretch and the time allowance between the finish line and the paddock, if the stage has a neutralised finish.
- 9.3 This road book is purely informative and is not required to follow each stage.

10. Course description

10.1 The competition will be raced in three (3) days:

STAGE	FORMAT	DATE	VENUE
STAGE 1	XCT	15.05.2026	Logroño
STAGE 2	XCM (UCI C2)	16.05.2026	Logroño
STAGE 3	XCM	17.05.2026	Logroño

10.2 The route is properly marked with signs, specially at trouble spots, such as cross sections, road crossings or streets

10.3 The route is open to traffic but properly under control. The riders must obey the traffic authorities and/or marshals and ride with caution. On Spanish public roads, riders must remain on the shoulder of the right lane. It is also recommendable to stay on the right-hand side on unpaved roads.

10.4 The route includes demanding climbs and technical downhill sections. It is the rider's responsibility to decide if it is rideable. The organisation is not responsible for accidents concerning each rider's skills, fitness or health

10.5 During the route there are two kind of controls: way points (CP) and cross section (CI).

10.6 Abandoning the route set by the organisation leads to disqualification

10.7 All riders must stay within the trails' natural limits, without taking shortcuts nor cutbacks.

11. Feed and tech zones

11.1 Feed and aid zones are properly sign posted all along the route. These have everything necessary to cover the riders' food and hydration needs during the stage.

11.2 Feed zones match team's aid stations, otherwise noted.

11.3 For security reasons, the food from the feed stations will be delivered by the organization that will take the formal sanitary measures. In no case, the cyclist may handle food.

12. Marking

12.1 The course is arrowed with red, blue or yellow signs (depending on the day). White signs with a cross of the stage's colour, indicate the wrong direction. No electronic device is needed to follow the route.

12.1. Every ten kilometres and the final five kilometres to the finish line are indicated.

12.2. The organization may publish on its website the GPX track file the day before the stage, but it will be informative only. Arrows prevail.

13. Unrideable sections

13.1. If by unexpected circumstances a section of the route is unrideable and impossible to clear, the Commissaires, Course Director and Race Director may decide to divert the route along other points foreseen by the organisation.

13.2. If it is not possible, the finishing time is taken where the last timing control is placed.

14. Withdrawing

14.1. A rider who withdraws must report it to the organisation as soon as possible.

14.2. Not reporting a withdrawal leads to the expulsion from the competition.

14.3. In case of an accident or an emergency, and bearing in mind the riders' health and safety, the organisation has the right to withdraw a rider from the competition.

15. Results

15.1. The results of each stage are arranged according to the time required to complete each one, plus time penalties.

15.2. The total time of the stages completed and the total time penalties, establish the overall classification.

15.3. The following results are established:

- Overall.
- Elite Men.
- Elite Women.
- Master Women.
- Master 30 (men).

- Master 40 (men).
- Master 50 (men).
- Teams.

15.4. Any rider who officially does not complete a stage, is out of the result list and not considered a Finisher.

15.5. Any rider who completes the race according to its regulations is officially considered a Finisher.

15.6. All riders carry a disposable chip to register their times and be able to keep track of them. The Commissaires must approve these times for the results to be considered valid.

15.7. The organisation has the right to require any rider's electronic device in order to check that s/he has followed the official route, without taking shortcuts nor cutbacks.

16. Awards

16.1. Each stage has an award ceremony for each category.

16.2. The first three (3) riders of each category and the corresponding race leaders, have podium ceremony which is attendance is compulsory.

16.3. At the final award ceremony, the three (3) overall ranked riders of each category and the best (1) classified in the teams category at the general classification are immediately called up to the podium once all of them have crossed the finish line.

16.4. Participants who compete only in Stage 2 will not be eligible for the overall classification of the race.

16.5. Prize money and UCI points are awarded to Elite categories.

16.6. Prize money:

Elite men & Elite women

	1	2	3	4	5	6	7	8	9	10
STAGE 1	205 €	100 €	70 €	40 €	35 €	30 €	20€	-	-	-
STAGE 2 – UCI C2	250 €	200 €	150 €	125 €	100 €	90 €	80 €	70 €	60 €	50 €
STAGE 3	205 €	100 €	70 €	40 €	35 €	30 €	20€	-	-	-
GENERAL	250 €	200 €	175 €	150 €	125 €	-	-	-	-	-

16.7. Prize money is paid through bank transfer once the event is over.

16.8. After the event, the organization will ask the prized riders, via email, all the documentation required to make the payment. If the organization does not receive a response from the prized within a period of 6 months from the last day of the event, it is understood that the participant waives the corresponding prize money.

17. Team's classification

- 17.1. A team is composed of at least three (3) riders, two (2) men and one (1) woman, and a maximum of five (5) riders, three (3) men and two (2) women.
- 17.2. Each team member competes individually in his/her category. That is, the team isn't forced to remain together.
- 17.3. Once the race begins, changes nor substitutions are allowed.
- 17.4. Riders who are disqualified, withdraw, etc., from the race, stop being part of the team.
- 17.5. If a team loses members to the point it has less than two (2) men and one (1) woman, it will be out of the teams' classification.
- 17.6. The teams' classification is established by the addition of the times of the two (2) best men and the best woman (1), independently from their individual category. If a team has more than three members, the times of the other team members are discarded.
- 17.7. For each stage result, the three (3) best members of a team, two (2) men and one (1) woman, can be different each day. The overall standings are determined by the addition of the three (3) best times, two (2) men and one (1) woman, according to their final overall standings.
- 17.8. The best team of each stage will be announced on social media and the best team of the final classification will be awarded with a trophy.

18. Bicycle

- 18.1. The bicycle must satisfy the UCI regulations, both technical characteristics and safety measures.
- 18.2. Riders are allowed to change their bicycle each stage but cannot be completely swapped nor changed during a stage.
- 18.3. Bicycles left at the official race bicycle parking can only be taken out by riders whose bracelet matches the bicycle's number plate.
- 18.4. Tandem bicycles are not permitted.

19. Equipment

- 19.1. It is compulsory to compete with the number plate and back number provided by the organisation. The number plate must be properly placed on the front of the bicycle. The back number must be on the rider's back. Both must be clearly visible and cannot be modified. The electronic timing control device cannot be modified and must be placed where the organisation indicates it.
- 19.2. All category race leaders must wear the leader's jersey provided by the organisation. It has a space on the front to place the rider's sponsors.

- 19.3. It's the rider's responsibility to place their sponsors in the space provided on the leader's jersey.
- 19.4. For safety reasons, it is recommended to carry a mobile phone. Route signs, race numbers and participant bracelets have a telephone number printed on them, which should only be called in case of an emergency. It's not a customer service number!
- 19.5. Carrying some warm clothes (rain jacket, arm and leg warmers, etc.) during certain stages might be necessary. The organisation does not provide these to the riders and is not responsible for each rider's choice.
- 19.6. The organisation is not responsible for any items left free or not properly stored in the backpack/bag.
- 19.7. The organisation is not responsible for any items lost along the route or left behind in the course of the event by any rider.
- 19.8. The organisation is not responsible for any bicycle's breakdowns, failures nor repairs that might happen during the event. The mechanical service is courtesy of the organization; In the event of a breakdown, labour will be free, but spare parts will be borne by the participants.

20. Sport and nature

- 20.1. Our sport, mountain biking, is a competition or leisure activity that takes place in nature and its impact in this environment is a responsibility for all riders and sport organisers. Any participant who throws garbage along the route, is not respectful of the environment (rolling off the roads, taking shortcuts that damage the vegetation, etc.), is not careful with the animals, leave a spare, etc. may be penalized by the Commissioners.
- 20.2. The trails on which the competition takes place are assigned only and exclusively for the days of the race, therefore it is not allowed to spread the route's GPS tracks.
- 20.3. The Commissaires have the right to disqualify any rider that does not respect the environment or the private properties that are crossed during the race, expelling him/her from the competition without any possibility to continue taking part in it.

21. Considerations

- 21.1. Any participant can be subjected to an official antidoping test following the UCI rules.
- 12.1 All riders assign their image rights to the organisation, being able to use any photograph or video where they appear. The images can be taken both by conventional photo or video cameras, such as sports action cameras or even from aerial drones.
- 12.2 Participant must be always aware the of the drone's localization, especially if it flies at low altitude and under NO circumstances approach it. In the rare event that the drone fell to the ground, please stay away from it, and do not touch it. At take-off and landing, participants should not be no closer than 10 meters. All pilots will be easily identifiable and will to be able to warn you or be warned of any unusual circumstance.

- 12.3 The organisation is not responsible for the expenses nor debts that a rider might incur during the race.
- 12.4 If necessary and under major circumstances, the organization together with the Technical Delegate has the right, without previous notice and in order to guarantee the event's proper development and safety (riders, Commissaires, staff, etc.), to delay a start time, change its program, and/or modify or cancel a stage.
- 12.5 The Commissaires have the right to disqualify any team that does not respect these considerations, expelling it from the competition without any possibility to continue taking part in it.
- 12.6 The organisation has the right to modify these rules without previous notice nor consent.
- 12.7 The organization reserves the right of admission.
- 12.8 All schedules may be modified depending on the health situation of the scheduled date of the event.
- 12.9 If the event is permanently suspended due to force majeure, prior to the event, the organization will notify the participants and they will have the option of requesting a refund of the registration fee.

13. Claims

- 13.1 Claims must be formally presented to the Commissaires and processed by these following the UCI regulations.

14. Paddock

- 14.1 No rider or team assistant can camp nor stay overnight at the paddock.
- 14.2 The organisation does not provide water nor electricity to the teams at the paddock, which must be self-sufficient, unless hired to the organisation.

REGISTERING FOR LA RIOJA BIKE RACE IMPLIES ACCEPTING AND ACCOMPLISHING THESE RULES. IT ALSO IMPLIES THE ACCEPTANCE OF THE CANCELATION & MODIFICATION POLICY, DATA PROTECTION LAW AND RESPONSIBILITY POLICY.
