# MEDICAL SERVICES

**The 16 drink stations along the route** will be located **every 2 kilometres** and also at the start/finish line, where the first-aid point and ambulances will be stationed.
From these facilities, **medical services** will be able to quickly respond to any incidents involving participants or members of the public attending the event.

**Physiotherapy services** will be available for our participants at the Pompidou area, next to the baggage drop and along the race.

As a complementary service, **SOS Cardiosport and members of Proteccion Civil will ensure the well-being of the runners of the GENERALI Malaga Marathon** with their mobile medical assistance teams, which will be available throughout the race.

In addition, the city of **Malaga has an extensive network of automatic external defibrillators (AED)**, with the objective of keeping the city covered. The organisers of the GENERALI Malaga Marathon have compiled this table showing the devices closest to the circuit.

# DRINK STATIONS

Please note that the drink stations, like all the other race services, **are only available to runners participating with a bib number of the GENERALI Malaga Marathon or GENERALI Malaga Half Marathon.**

No other vehicle will be allowed to participate in the race, only those accredited by the organisation.

# PACERS

**The organisation will provide pacers running at a suitable pace to complete the course.**

The times set by these athletes will be: **3h, 3:15h, 3:30h, 3:45h, 4h, 4:15h and 4:30h.**
They will also set half marathon paces in **1:30h; 1:37, 1:45, 1:52, 2, 2:07 and 2:15.**

The pacers in charge of this task will be properly identified by their clothing and with recognisable flags.

# TOILETS

**Toilets** for participants will be provided by the organisers at the **start/finish area, as well as at all drink stations.**

# CUT-OFF TIME

**The cut-off time for the race has been established at 14:20,** which is the official maximum time for completing the course regardless of the start time.

The race will be closed according to the following table, from the start of the third wave:

| KM | MAXIMUM TIME LAPSE | CUT-OFF TIME |
|---|---|---|
| 5 | 39 min 05 seg | 09:24 |
| 10 | 1 h 18 min 10 seg | 10:03 |

| 40 | 5 h 12 min 40 seg | 13:58 |
| META | 5 h 30 min 00 seg | 14:20 |

# RESULTS

The results of the GENERALI Malaga Marathon will be published on the race website, **www.generalimaratonmalaga.com**, after the end of the race
and after the revision by the official judges of the Andalusian Athletics Federation and the Spanish Athletics Federation.

# PRIZES

**A trophy ceremony will be held at the Eduardo Ocón venue for the overall men's and women's categories** (marathon and half marathon), **mixed wheelchair category** (marathon), **mixed physically/intellectually disability category** (marathon), **first Spanish man and woman** (marathon) **and first man and woman with a Malaga running license.**

**There will be no trophy ceremony for the different age groups (marathon).** There will be an identification point for winners at the Eduardo Ocón venue to check the identity of the runner **(by means of any official ID document).** Winners may then access the stage to collect their prize and must leave the area once they have done so.

# VOLUNTEERS

Several associations will be volunteering at the GENERALI Malaga Marathon 2025. In total, there will be more than **1,100 volunteers** helping the runners and making sure everything goes smoothly. Don't forget to thank them for their incredible work.

## ASSOCIATIONS VOLUNTERING AT THE GENERALI MALAGA MARATHON 2026

# SUSTAINABLE EVENT

**The GENERALI Malaga Marathon 2026 wants to be an environmentally friendly event,** and to achieve this, the cooperation of each and every participant is essential. Therefore, we would like you to have this information in order to facilitate your cooperation:

At the drinks stations, **there will be specific bins for recycling:**

**-At the drinks stations with just water,** there will be **YELLOW** bins for the disposal of water bottles. They will be located approximately 100 metres away from the last table and on both sides of the road. If you decide to keep the bottle with you beyond the 100-metre mark, you must keep it with you until the next station. In any case, they must always be thrown in the bin and **NEVER** on the ground.

**-At the combined drinks stations,** there will be:

**YELLOW bins** for disposing water and sports drinks bottles. They will be located approximately 100 metres away from the last table and on both sides of the road. If you decide to keep the bottle beyond the 100-metre mark, you must keep it with you until the next station. In any case, they must be thrown in the bins and **NEVER on the ground.**

**Grey bins** for disposing fruit waste. They will be located behind each table with fruit, making it easy to throw them away after consumption.

**At the finish line,** there will be yellow and grey bins behind the drinks stations for the same purpose. If you decide to discard your poncho, this plastic waste must also be thrown into the yellow bin.

**Bottles should be thrown into the yellow bin and fruit waste into the grey bin.**
Any waste must be thrown into the bins and **NEVER on the ground.**

**Respect for the environment:** The race passes through urban areas thatmust be respected for the benefit of everybody.
